

# ADMISSION REQUIREMENTS: MSN

---

## Requirements

- Baccalaureate degree in nursing from an accredited college or university.
- Minimum nursing program GPA of 2.5 is preferred. If the GPA is below 2.5, the student may be given the option of participating in an interview for admission consideration.
- All post high school transcripts
- Current resume or curriculum vitae
- Current unencumbered license as a registered nurse

## Procedure

Applicants are to complete the [online application](#).

Once the application is complete with above materials, the Department of Nursing will receive the information from the Admissions Office for review. The applicant will receive notification of the decision from the Admissions Office.

Approved 3/2009
