

CLINICAL HOURS RN TO BSN PROGRAM

Each student is responsible for selecting a clinical site and preceptor and working with the Clinical Coordinator for completion of clinical requirements.

Procedure

Each student will send the name of the clinical site and contact information of the preceptor, including a curriculum vita (CV), to the Clinical Coordinator so an affiliation agreement can be secured. This procedure is initiated well in advance of the course start date. Student will be notified via email from the Clinical Coordinator.

Course	Clinical/Lab Hours
