Top Story - The Robert Morris University football team takes to the road looking to snap a school record seven-game losing streak Saturday when it travels to Indianapolis, Indiana, for a 1:00 p.m. tilt against Butler at the Butler Bowl. The Colonials are coming off a 27-7 defeat to crosstown rival Duquesne (9/9) at Joe Walton Stadium in their 2006 home opener, while the Bulldogs garnered their first win of the season with a 30-20 victory over Division III Hanover. Robert Morris will also look to snap an eight-game road losing streak Saturday against Butler, as the last victory for the Colonials on the road came in a 31-24 victory @ Stony Brook (10/2/04). RMU returns home to close out its 2006 non-conference schedule after Saturday's game against the Bulldogs, hosting Division III Rowan at Joe Walton Stadium Saturday, Sept. 23, for a 1:00 p.m. contest.

Quick Stat of the Afternoon - Robert Morris has done a good job in its first two games of the 2006 season in stuffing the opponent run game, as the Colonials enter Saturday's contest against Butler yielding 128.5 yards rushing per game. That number is a little deceiving, as in the first three quarters of games RMU is allowing just 65.5 yards rushing, but in the final quarter the club's first two opponents have averaged 71.5 yards on the ground. The Colonials will look to continue that trend Saturday, as Butler gained just 122 yards rushing in last year's 49-13 victory for Robert Morris at Joe Walton Stadium.

Saturday's Opponent - Robert Morris and Butler will square off for just the fourth time Saturday afternoon, with the Colonials having won each of the previous three games in the all-time series. Saturday marks RMU's second visit to the Butler Bowl, with the Colonials having garnered a 26-21 victory in the first contest Sept. 13, 1997. RMU and Butler renewed its rivalry in 2005, with the Colonials coming away with a 49-13 victory in the inaugural game at Joe Walton Stadium Sept. 17, 2005.

Butler Series Quick Outs - Robert Morris has outscored Butler, 113-34, in the all-time series as the Colonials are averaging 37.7 points per game ... RMU's 38-0 victory in the first meeting between the two clubs Sept. 14, 1996, was the second in a three-game opening stretch for the Colonials in which the defense pitched a shutout ... In last year's 49-13 victory at "The Joe" Robert Morris rolled up 457 yards of total offense ... The Colonials had a 100-yard rusher and a 100-yard receiver in the win over the Bulldogs last year, as

senior fullback **Vince Magnone** rushed for a career-high 117 yards on 16 carries, an average of 7.3 yards a rush, while former flanker Tyjuan Massey (2002-05) finished with four receptions for 113 yards and two touchdowns.

Head Coach Joe Walton

13th Season - Pittsburgh '57

If there has been one constant associated with Robert Morris University football through the program's first 12 years, it has been Joe Walton. He was named head coach on July 27, 1993. He started the program from scratch, including everything from hiring assistant coaches to purchasing equipment to recruiting student-athletes. His fingerprints are all over the program, and to prove that, he had the University's first on-campus football stadium named in his honor. Joe Walton Stadium hosted its first football game in 2005 to rousing success, as the Colonials defeated Butler, 49-13, on Sept. 17, 2005.

"I've said this many times before, and I mean it when I say that this situation is one of the best things that has happened to me in my life," Walton said. "It happened at the right time. Before this position became available, I felt I was too young to quit coaching, but I wasn't anxious to get back into pro football. When this came along, it was the perfect fit. This situation was the perfect opportunity for me to continue to do what I like to do, and I've loved every minute of it."

Under Walton's tutelage, the Colonials have claimed five Northeast Conference titles and a pair of mid-major national crowns in the program's first 12 years of existence. Robert Morris is one of just two programs to claim a pair of victories in the ECAC Classic, having won it in back-to-back seasons in 1996 and 1997. The success has done nothing to dampen Walton's enthusiasm for coaching football at Robert Morris, and with him on the sideline RMU wins nearly 70 percent of the time.

Walton is RMU's only head coach ever, and he is 75-47-1 (all at Robert Morris) at the collegiate level (.614). Walton was the head coach of the New York Jets from 1983-89, when he went 53-57-1 (.482). Also included among Walton's 35 NFL seasons is two (1990-91) as offensive coordinator for the Pittsburgh Steelers. A two-time All-America tight end at Pittsburgh, Walton played eight years in the NFL with the Washington Redskins and New York Giants.

GAME RECAP

Joe Walton Stadium Attendance: 3,246 - Bruce Hocker caught touchdown passes of 60 and 38 yards as Duquesne built a 17-0 halftime advantage en route to a 27-7 win in RMU's 2006 home opener. The Colonials committed four turnovers on the afternoon, two of which stalled drives deep in Duquesne territory and an interception that was returned 96 yards for a touchdown by Aaron Strader of the Dukes. Junior **Mario Hines** racked up 206 all-purpose yards on the afternoon for Robert Morris, including 165 yards on kickoff returns, while junior **Alvin Hill** finished with three catches for 40 yards and a touchdown.

2006 Colonial Football Game Notes - (9/16/06 @ Butler) - Page 4

Duquesne Game Notes - Robert Morris opened the game with a 53-yard kickoff return from junior **Mario Hines**, but on the fourth play of the drive senior tight end **Jarvis Powers** fumbled and Duquesne came up with the ball ... On RMU's third drive of the afternoon, set up by Hines with a 59-yard kickoff return to the Duquesne 31-yard line, sophomore quarterback **Erik Cwalinski** was sacked on the first play and fumbled, and the Dukes again came up with the loose ball ... Duquesne outscored RMU, 17-7, in points off turnovers in the game ... Junior offensive lineman **Edgar Hunt** suffered an ankle injury against Duquesne and is listed as doubtful for Saturday's game against Butler ... Robert Morris reached the red zone four times against the Dukes but came away with just seven points, turning the ball over on its other three instances.

Seven Deadly Sins - A key reason the Colonials have done a good job of keeping their opponent's running game in check in the early portion of the 2006 campaign has been due to the solid play of the club's front seven. Senior linebacker **Jeff Rommes** (14 tackles @ Dayton) and senior defensive lineman **Matt Brunck** (nine tackles vs. Duquesne) each set career highs for tackles in the first two games, while the defensive line and linebacking corps has accounted for 59.7 percent of the club's tackles in the first two contests (83 of 139).

Mr. Versatility - Needing to fill the shoes of Mr. Do-It-All in former wide receiver and kick returner Tyjuan Massey (2002-05), Robert Morris didn't have to look far to find his replacement. Junior **Mario Hines** has gotten off to a stellar start through the first two games of the 2006 season, racking up 315 all-purpose yards, an average of 157.5 per game that currently ranks 18th in I-AA. Currently tied for the team lead in receptions with seven (for 79 yards), Hines has made his mark on special teams. He is averaging 28.8 yards per kickoff return so far this season, a total that ranks him 14th in I-AA. In just his second season with RMU (he sat out the 2005 campaign due to NCAA transfer rules), Hines has an opportunity to be one of the program's most electrifying players in school history. In 11 games as a freshman in 2004, Hines finished with 379 all-purpose yards but already has 315 in two games this season.

The Fantastic Four - Despite the loss of the program's top two receivers in wide receiver Tyjuan Massey (2002-05) and tight end Rupert Rickards (2002-05), the Colonials remain a talented and deep team of receivers. Alongside junior flanker **Mario Hines** are senior tight end **Jarvis Powers**, junior flanker **Alvin Hill** and senior split end **Michael Rogers**. Powers, Hines and Hill have given RMU another balanced receiving corps, as Powers and Hines each have seven receptions through the first two games of the 2006 season, while Hill has six catches for a team-high 106 yards. Powers, Hines and Hill each have a touchdown reception this season, as well.

Sack Attack - Robert Morris received inspired play from its defense in the 2006 season opener @ Dayton (9/2/06), keeping the Flyer ground game in check most of the afternoon while continually putting pressure on UD quarterback Kevin Hoyng. Senior defensive lineman **Ray Gensler** put the most pressure on Hoyng, sacking him three times and coming close to pulling him down on a pair of other occasions. Gensler became the sixth different Colonial in school history to tally at least three sacks in a game and the first since former defensive lineman Abu Sesay (1997-98) notched three against New Haven (11/14/98). Gensler owns 11.5 sacks on his career entering Saturday's tilt @ Butler and has an outside shot of becoming RMU's all-time sacks leader in 2006. A look at RMU's top sack artists in school history:

<u>Name (Years)</u>	<u>Sacks</u>
1. Jason Spencer (1994-97)	17
2. James Noel (2002-05)	16.5
3. Brad Kirit (1997-2000)	16
John O'Connell (1995-98)	16
5. Fred Manalac (1994-96)	15.5

Fast Willie - After gaining 48 yards on 17 carries in his inaugural collegiate game @ Dayton (9/2/06), freshman tailback **Brian Harden** seemed more relaxed in his second game against Duquesne (9/9/06). He finished the afternoon with 82 yards rushing on just nine carries, an average of 9.1 yards per rush. Those numbers were bolstered by a 41-yard scamper in the third quarter that saw Harden flash his trademark speed. Harden's average of 9.1 yards per rush against Duquesne is the best single-game mark by a Colonial freshman in school history and is the best mark since RMU's all-time leading rusher, Sam Dorsett (2000-04) averaged 10.3 yards per carry in a 36-6 win over Saint Francis (9/27/03).

Protecting the Ball - Putting together sustained drives on offense has not been a problem for Robert Morris in the first two games of the 2006 campaign, as with 24 total offensive possessions this season the club has entered into its opponent territory in 18 of them (75 percent). Among those 18 visits to their opponents territory, seven have been in the red zone. However, RMU has produced points in just three of those visits to the red zone (all touchdowns), but each of the other four having resulted in turnovers, including two fumbles and two interceptions. In all, RMU has eight turnovers on the year compared to three by its opponents.

Offensively Speaking - Robert Morris got its 2006 season off on the right foot offensively in the season opener @ Dayton (9/2/2006), outgaining the Flyers on the afternoon in total offense, 374 yards to 305. What was even more impressive is that Dayton ran 19 more plays on offense than RMU, running 72 plays compared to just 53 for Robert Morris. The Colonials averaged 7.1 yards per play against the Flyers, their best such single-game mark since averaging 7.2 yards per play in a 40-7 victory @ Gannon (10/5/96), a stretch of 97 games.

It's Your Show - Sophomore **Erik Cwalinski** is in his first full season as the starting quarterback for Robert Morris, and he has had mixed results through the club's first two games of the 2006 campaign. In the season opener @ Dayton (9/2), Cwalinski finished 18-for-25 passing for 278 yards and two touchdowns against the Flyers, completing a pass to eight different receivers in the process. He followed that up by completing just nine of his 22 attempts for 109 yards, a touchdown and two interceptions against Duquesne (9/9) in the club's home opener. In six career starts Cwalinski has eclipsed 200 yards passing in three of them, including a career-high 307 yards passing in RMU's 2005 season finale against Sacred Heart (11/12/05), but he will need to cut down on his interceptions. On his young career he owns seven touchdown passes and seven picks.

The Quiet One - While a lot of attention is paid to the starting halfback and the number of yards that individual accumulates, one of the steadiest players on the Robert Morris club in the last four years has been senior fullback **Vince Magnone**. After seeing limited time as a freshman in 2002 and sitting out the 2003 season due to injury, Magnone has been a rock at fullback the last three years, accumulating 892 yards on the ground on 209 carries, an average of 4.3 yards a rush. Magnone etched his name into Colonial lore by registering his first, and only, 100-yard rushing game in the inaugural game at Joe Walton Stadium (9/17/05), a 49-13 win over Butler. He finished with 117 yards on 16 carries, an average of 7.3 yards per rush, and currently ranks seventh all-time at Robert Morris for career rushing yards. One thing has eluded Magnone thus far in his career, however, and that's hitting paydirt. Magnone has scored just one touchdown on his career, yet it came through the air, and has yet to record a rushing touchdown. A look at where Magnone stands in the RMU record book in rushing:

<u>Name (Years)</u>	<u>Att.</u>	<u>Yards</u>	<u>Avg.</u>	<u>TD</u>
5. Donald Dorsey (1998-99)	260	1,674	6.4	14
6. Ralph Clark (1994-97)	245	1,362	5.6	12
7. Vince Magnone (2002 -)	221	945	4.3	0

Specialty - Slowly, and quietly, moving his way up the rankings at Robert Morris for career points scored has been senior placekicker **Nathan DiLorenzo**. DiLorenzo owns 141 points on his career, a total that currently ranks third all-time. Only two Colonials in school history have eclipsed 200 points in their careers, as former placekicker Jeff Carlo (1998-2001) owns the record of 250, while former running back Tim Hall (1994-95) scored 208.

Moving and Shaking - Freshman **Brian Harden** joined former running back Archie Wannamaker (1996-98) as just the second Colonial in school history to garner a start at halfback in his first collegiate game in RMU's 2006 season opener @ Dayton (9/2/06), and he finished the afternoon with 48 yards on 17 carries, an average of 2.8 yards per carry. His longest run of the afternoon came in the first quarter when he scampered around the left end and sprinted 15 yards down to the Dayton 44-yard line. A look at how each of RMU's regular running backs fared in their first collegiate start:

<u>Name</u>	<u>Att.</u>	<u>Yds</u>	<u>TD</u>	<u>Opponent (Date)</u>
Tim Hall	13	83	0	@ Waynesburg (9/3/94)
Archie Wannamaker	7	68	0	@ Mercyhurst (9/7/96)
Donald Dorsey	10	106	1	Sacred Heart (10/17/98)
Sam Dorsett	20	86	0	Buffalo State (9/2/00)
Dante Settles	20	88	1	@ Dayton (9/14/02)
Devin Wilson	13	52	0	Buffalo State (9/4/04)
Brian Harden	17	48	0	@ Dayton (9/2/06)

Covering All The Corners - Robert Morris featured a pair of fresh faces at cornerback in its season opener @ Dayton (9/2/06), with freshman **Jacky Candy** and senior **Mike Niklos** receiving starts. Candy was making his first collegiate start and provided four tackles, including three solo, while Niklos added three stops and a pass breakup. Niklos returned to the Colonials at cornerback in 2006 after sitting out the 2005 season with an ankle injury.

Chicks Dig the Long Ball - Over the course of the past couple of seasons, Robert Morris has gone to the air a lot more than in the early years of the program. Seven of the 10 longest touchdown passes in school history have occurred in the last four years, mainly thanks to the arm of graduated quarterback Drew Geyer (2002-05). Sophomore **Erik Cwalinski** didn't take long to show that his arm is a powerful one, as well. Cwalinski's 79-yard touchdown strike to former flanker Tyjuan Massey in his first collegiate start @ Central Connecticut State (10/15/05) ranks as the fifth longest scoring pass in school history.

2006 Colonial Football Game Notes - (9/16/06 @ Butler)

The Magic Mark - Since the Colonials began play in 1994 there have been 54 games in which Robert Morris has scored 30 or more points. In those contests RMU boasts a record of 50-4, including a record of 26-4 in games in which the team scores between 30 and 39 points. In games in which the Colonials score 40 or more points, RMU is a perfect 23-0.

Did You Know? The inaugural running back at Robert Morris, the late **Tim Hall (1994-95)**, rushed for 2,908 yards in his two seasons as a Colonial. Hall still owns the I-AA season and career records for yards per carry, with his season record of 8.7 yards per carry set in 1994 and his two-year career record of 7.4 established in 1994 and 1995 ... During the 1990s Robert Morris posted a record of 42-18-1, a winning percentage of .697 that ranks 10th in I-AA football during the decade ... So far in the 2000s Robert Morris owns an overall record of 33-29, a winning percentage of .532.
