THIS IS OUR HOUSE!

For three years running, the Robert Morris Colonials have laid claim to the Sewall Center being not only "OUR HOUSE" but also the place where they have been crowned Northeast Conference champions! In 2007 and 2008, it was the women. Last year, it was the men. This season ... who knows! It could very well be both. But before that possibly happens, Robert Morris Basketball will keep you on the edge of your seat with the best and most up-close NCAA Division I action in this area. There have been three straight unforgettable NEC championship games played at the Sewall Center, most recently last March when over 3,200 crazed Colonial fans packed "OUR HOUSE" to see the RMU men win an unprecedented sixth NEC title! Three straight Northeast Conference titles for Colonial Basketball! Three straight NCAA Tournament appearances! Colonial Hoops Fans ... Do we hear more? That's up to us. But we need your support. Check out RMU Basketball this season!

The Department of Athletics at Robert Morris University provides opportunities for our student-athletes to receive a quality experience both in the classroom and in intercollegiate athletic competition. Athletics enhances the intellectual, social and personal development of our student-athletes, helping them to grow through their experience at the University and to prepare for meaningful careers and lives. Toward this purpose, the Department of Athletics promotes academic achievement, good sporting and ethical conduct and equitable opportunity for students and staff, including women and minorities. The guiding principle of the University is to focus on academics first; therefore we view our successes based not on wins and losses but as linked to the educational mission of the University and the welfare of our student-athletes.
