

## Joe Walton Stadium & Athletic Building

Joe Walton Stadium and Athletic Building constructed in 2005, is home to RMU Colonial football, lacrosse, soccer, field hockey and intramurals. With a current seating capacity of 3,000, the stadium features a field surface of 97,000 square feet of synthetic Field Turf. The athletic building, connected to the stadium, houses locker rooms, office space for coaching staff equipped with a Landro Play analyzer, an Olympic sport coaches' University box, and a press box with a public address/music system. Evening event TV production capabilities due to field lighting that was installed in 2011. The facility is located adjacent to the Charles L. Sewall Center.
