Smoking, Vaping, and Tobacco Use Policy

SNHS students are not permitted to smoke, vape, or use any form of tobacco products in RMU classrooms, labs, and clinical facilities. SNHS students are strictly prohibited from smoking or using any form of tobacco product while in uniform at any time. Smoking is defined by the University as inhaling, exhaling, or holding any lighted cigarette, cigar, pipe or similar product or device. This policy applies to hookahs, vaporizers, electronic vapor devices, and chewing tobacco.

Any student who violates the policy will be subject to disciplinary action which may include, but is not limited to, dismissal from class or clinical. In addition, students are subject to specific actions imposed by the clinical agency.

Approved July 2017
