

ATTENTION: ACTUARIAL EMPLOYERS

VIRTUAL ACTUARIAL CAREER WEEK

HOSTED BY

ROBERT MORRIS UNIVERSITY

Monday, September 28 - Friday, October 2, 2020

Students from Entire Region (Western PA, West Virginia and Ohio) are
Invited to Participate

Resume Packet for all Participants Available in Advance

How it works:

- Firms will have a designated chat day and time during the week
 - RMU will schedule each firm an hour slot of time either Monday, Tuesday or Wednesday
- Registered students will be emailed a link to visit the chat rooms
 - Chats can be set up by RMU
 - Or RMU will send firms the registered students contact information and they can use their own communication platform
- Students will have the opportunity to discuss the field of actuarial science and ask questions
- Firms may invite students to a private chat session to speak further
- Virtual Personal interviews (based on resume submissions) on Thursday or Friday
 - Will be scheduled by Robert Morris University
 - Firms will be sent a schedule of requested interviews and the contact information of the students being interviewed. You can then contact the student at the scheduled time and use your own platform for the interview.
- Firms may also present virtual information sessions
 - RMU will schedule these sessions and firms can present using their own platform
- Firms will have the opportunity to provide logoed items that Robert Morris University will distribute to the registered students
