GREAT LEADERS INVEST IN THEIR PEOPLE

That's why some of Pittsburgh's top companies have partnered with Robert Morris University to deliver highly customized training and leadership development steeped in their culture and tailored to their goals.

Our team works with your organization to find the ideal content and delivery model to develop employee skills and help your organization meet its strategic goals. Each program leverages RMU's nationally recognized excellence in business, education, IT, engineering, communications, and healthcare. From fully custom engagements to more traditional business education programs, our multidisciplinary team of experts can help to develop skilled leaders, launch key business initiatives, and transform your organization.

If you're as serious about your success as we are, connect with RMU today.

I'VE SEEN A LOT OF ORGANIZATIONS THAT USE THAT CLICHÉ PHRASE, "WHAT IF WE INVEST IN OUR PEOPLE AND THEY LEAVE?" WELL, WHAT IF YOU DON'T INVEST IN THEM AND THEY STAY?

CORPORATE TRAINING PROGRAMS

Effective Nov. 9, 2020, the Securities and Exchange Commission (SEC) revised the disclosures required in Form-10K to include additional reporting requirements on human capital resources. Specifically, companies may report on workforce measures that address the development, retention, and attraction of personnel.

RMU's Corporate Training programs provide a unique and attractive avenue to showcase your company's dedication to developing, retaining, and attracting top-tier talent. Each program is custom-tailored to fit your company's needs, from transitioning employees to management roles, or training senior level employees to take the next step to the C-Suite. These programs provide reportable, objective measures on your workforce's development and your efforts to retain top talent.

CORPORATE DISCOUNTS

Effective Nov. 9, 2020, the Securities and Exchange Commission (SEC) revised the disclosures required in Form-10K to include additional reporting requirements on human capital resources. Specifically, companies may report on workforce measures that address the development, retention, and attraction of personnel.

RMU's Corporate Discount programs provide an attractive avenue to showcase your company's dedication to employee growth. We work with you to custom-tailor education tracks for your employees at competitive prices, helping you to attract and retain top talent in an increasingly competitive marketplace. Employees could have the ability to enroll in as little as one course, or for any more than 80 undergraduate and graduate degree programs, along with a variety of professional certificates, many of which are available to be taken online.
