

DNP PROGRAM – REQUEST FOR REINSTATEMENT POLICY

A student in good academic standing who does not take DNP classes at Robert Morris University for four consecutive (including summer term) must request reinstatement to continue their studies. He/she must notify the DNP program director in writing to request reinstatement.

The DNP Council will make a determination as to whether the student will be reinstated. If so, a determination will also be made as to any revisions in course plan (e.g. repeating of courses to ensure current knowledge) and/or demonstration of competency.

Faculty Approval: 7/2019
