Application Checklist: The following PDF documents must be submitted via email to NSF-SFS@rmu.edu by the posted application deadline for consideration:

- 1. NSF SFS Scholarship Application Form** (this form signed and dated) should be submitted first to start the application process.
- 2. College Transcripts.** Unofficial transcripts are accepted for application. Official transcripts are required for interviews and SFS scholarship acceptance.
- 3. Resume.** Includes relevant education, certifications, internship/work experience, competitions, and other extra-curricular activities.
- 4. Personal Statement.** This is a one-page essay of about 450 words to explain: 1) Why you are pursuing the CyberCorps SFS scholarship; 2) Your specific area(s) of interest in Cybersecurity and relevant skills and experience; and 3) Your career objective and commitment to government service.
- 5. Recommendation Forms (2).** The 2 Recommendation forms include one completed by a current Professor or Supervisor and the other one by a recent Professor or Supervisor. Both forms **MUST** be sent by the recommenders (NOT by the student applicant) via email directly to NSF-SFS@rmu.edu
- 6. Family Recommendation.** A recommendation letter from an adult family member to address the applicant's personal character, talent, maturity, as well as family support for government service.

Certification and Acknowledgment

I certify that the information on this application is correct and true to the best of my knowledge. I acknowledge the requirements and service obligations for the NSF SFS scholarship program.
