

2022-2023 Impact Report

The WLMP creates a world where all leaders can thrive.

The Women's Leadership and Mentorship Program fosters inclusive leadership, gender equity, and the advancement of women by preparing students for leadership through professional development, multilevel mentoring, and financial support. **Each pillar is designed to amplify the professional, civic, and personal success of women and gender diverse leaders.**

91%

"The WLMP has helped me build and/or sharpen my leadership skills."

94%

"I have had the opportunity to learn from a role model through the WLMP."

“Becoming a member of the WLMP was the best decision I have made so far in my college career! It is a community of warm, welcoming women that want to see each other succeed. It has provided me with a support system like no other and access to so many great resources.”

“The WLMP is exceptional at finding meaningful ways to instill a sense of confidence and empower their members through the guest speakers we connect with and building a strong-knit community.”

“I believe this year's programming was the most robust in my entire time in the WLMP. The breadth of events offered was amazing, and I loved getting to connect with global leaders.”

Mentoring Success

A growing mentoring network brought depth and breadth to mentoring relationships.

Global Citizenship

2022-2023 created global opportunities for WLMP students to connect with leaders and ideas that are shaping the world.
