

Student reflections must meet Criteria #1 and #2 and at least 2 other criteria to be approved for progress toward Global Explorers.

#	Criterion	Yes	No
1	<p>The student provided original work* and properly cited any researched sources.</p> <p>*original work does not include work submitted for credit elsewhere (i.e. a paper for a class), unless pre-approved by a CGE staff member.</p>		<i>If "No", then submission is not eligible for SET.</i>
2	The reflection was submitted within one month of the event date (unless pre-approved by a CGE staff member for late submission.)		<i>If "No", then submission is not eligible for SET.</i>
3	The student demonstrates a thorough understanding of the topics or ideas reflected in the event/experience.		
4	The student provided sufficient detail when conveying personal opinions about the event/experience.		
5	The student relates the topics or ideas in the event/experience to at least one personal or real-world example.		
6	The student communicates clearly without any major errors in organization and style.
