

October Workshops

6TH

12:00 - 1:00 pm

Board Chat

Join fellow nonprofit board members for a candid discussion on the pressing challenges facing our organizations today. This collaborative session offers a unique opportunity to share insights, learn from peers' experiences, and develop practical strategies to strengthen board leadership in our evolving nonprofit landscape.

FREE

8TH

12:00 - 1:00 pm

Executive Director Huddle

Break down the isolation barrier! This exclusive affinity group for nonprofit EDs and CEOs is a unique monthly forum in which nonprofit chief executives come together to share experiences, challenges, solutions, and best practices. Join us as we deepen connections and build a community of support among participants.

\$30.00

13TH

1:00 - 2:00 pm

Advocacy Fundamentals: Your Guide to Creating Change

In this virtual program, uncover the basics of advocacy, how individuals and nonprofits can drive change, and start crafting your advocacy strategy.

\$30.00

22ND

10:00 - 11:30 am

The Behavioral Blueprint: Understanding What Drives Your Team

In this session, you'll explore four core behavioral factors that influence how people naturally operate at work. You'll also learn how to recognize the needs behind different working styles and use a practical framework to communicate more effectively and build stronger working relationships.

FREE

27TH

1:00 - 2:00 pm

Level 100 General Board Members

If you are a new board member looking to better understand what nonprofit finance is about, this session is designed for you. It will cover general nonprofit finance topics like: how the governance role differs from management's role, financial information to expect from management, proper preparation for meetings, key decision points for the finance committee, an overview of the IRS Form 990 and PA BCO-10, collaboration with management, meeting leadership, agenda preparation, and best practices.

\$30.00

November Workshops

3RD

9:00 am - 4:00 pm

Executive Director Bootcamp

ED Boot Camp is a day-long, entry-level workshop for new executive directors. We will cover the basics of nonprofit management, including: tools and tips for effective leadership, organizational stability, fundraising, financial management, regulatory compliance, and governance. This workshop is perfect for experienced nonprofit professionals who are new to the executive director role.

\$125.00

12TH

12:00 - 1:00 pm

Join fellow nonprofit board members for a candid discussion on the pressing challenges facing our organizations today. This collaborative session offers a unique opportunity to share insights, learn from peers' experiences, and develop practical strategies to strengthen board leadership in our evolving nonprofit landscape.

FREE

19TH

10:00-11:00 am

The High-Match Hunt: Mapping Your 12-Month Grant Strategy

Now that you're grant-ready, where should you put your energy? This second session shifts from internal prep to external strategy. We explore how to identify "high-match" foundations, the difference between private and government opportunities, and how to build a sustainable grant calendar. Dr. Clare will discuss how to prioritize 3-5 key opportunities to maximize your return on investment and avoid the "spray and pray" approach to applications.

\$30.00

December Workshops

1ST

12:00 - 1:00 pm

This collaborative session offers a unique opportunity to share insights, learn from peers' experiences, and develop practical strategies to strengthen board leadership in our evolving nonprofit landscape.

FREE

3RD

10:00 - 11:30 am

Purpose in Action: Using Data to Strengthen Your Impact

This interactive 90-minute workshop moves beyond reporting activity to understanding what their data is really saying about change, outcomes, and community value. Through a hands-on "Turn the Curve" exercise, participants work in small groups with real organizational data to uncover the story behind their business

\$35.00

8TH

1:00 - 2:00 pm

Level 200: Board Fiduciary Responsibility

If you are a finance committee member, you need to be particularly aware of your fiduciary duties, dedicated to upholding those duties, and willing to steward the organization effectively. This class will provide insights into the practical implications and focus required for effective governance and assist members in ascending to higher board leadership roles. We will look at topics that include: Financial oversight, Internal controls, Audit, Risk, Investments, Capital, Management, Board structure, Delegation, Compliance, and Strategy.
