

## POST-GRADUATION CAREER DEVELOPMENT SUPPORT

Graduation isn't the end of your RMU experience—it's the beginning of your next chapter.

At RMU, we not only prepare you for your first job, we stay with you as you grow in your career. Your first year after graduation is filled with important decisions and new expectations, which is why RMU stays by your side for 365 days after you graduate, helping you confidently step into professional life.

Your **Career Success Concierge** helps you transition smoothly into the workplace, refine your professional brand, update your resume as you advance, and connect with organizations that can strengthen your network and career path. Our support is based on career readiness best practices, focusing on three key areas new graduates need more to drive success. Our goal is simple: to help you thrive, not just transition.

### Three Essential Themes FOR YOUR FIRST YEAR AFTER GRADUATION

#### Communication & Relationship Building

Navigate workplace conversations, expand your network, elevate your professional presence, and collaborate with confidence.

#### Critical Skills & Growth Mindset

Solve problems efficiently, use feedback to grow, adapt quickly, and build momentum that fuels early-career success.

#### Financial & Administrative Acumen

Understand workplace policies, manage finances, stay organized, and make sound financial decisions for long-term stability.

### Your Post-Graduation Advantage

Along with the three essential themes, RMU offers guidance and exclusive resources to help you continue growing in your first year, whether advancing your education or strengthening your career skills.

#### GRADUATE SCHOOL PLANNING

We'll help you research programs, navigate RMU's application process, and connect with Graduate Admissions Counselors.

#### EXCLUSIVE RESOURCES & TOOLS

Continue developing your career with ongoing access to tools that enhance your skills, professional presence, and growth throughout your first year.
